

Investing for Success

Under this agreement for 2022

Durong South State School will receive

\$12,938*

This funding will be used to

- Enhance and embed differentiated support for all students across the school to ensure 100% students are achieving A-C in English, Mathematics and Science.
- Analyse and maintain individual data profiles for every student at Durong South State School.
- Support student learning in reading and numeracy so that 100% of students achieve regional benchmarks in reading and age targets for basic fact recall in numeracy.
- Enhance differentiated support for all students across the school to ensure 100% students measuring at least 12 months growth in PAT Maths results.

Our initiatives include

- Investing in teacher and teacher aide support and professional development in order to facilitate differentiated reading and numeracy groups.
- Utilising the Case Management Approach, to monitor targeted student performance regularly, diagnose individual student learning needs and administer intervention strategies to enable student improvement.

Sharratt, L, & Fullan M, 2012, Putting FACES on the Data: What Great Leaders Do!, Corwin, California, USA

Our school will improve student outcomes by

Purchasing teacher release time for professional development, supporting teachers to develop their repertoire of practice in effectively differentiating for the range of student learners in their class including specific consideration for the learning of high achieving students based on needs, interests, aspirations and motivations.	\$5,000
Purchasing additional teacher aide time to support the whole school support programs and facilitating targeted and intensive support as identified through the Case Management process.	\$7,938
TOTAL	\$12,938
